Please give what you can

Together we can make a huge difference to the lives of families across the country who are struggling to afford enough food.

How your donations will help

The money you donate to the Together Network today will mean people throughout England no longer have to go hungry.

- **£3** can provide a lunch for a child over summer as free school meals disappear
- **£9** can provide an emergency food parcel for a family for one day
- **£25** can provide a slow cooker so that families can make simple and nutritious meals with the food they receive from food banks

Thank you for your donation.
