

# Show people in need that they are not alone this Christmas

You can show your support for people who are struggling this Christmas by decorating your church door with golden stars as a sign that you are open, present and ready to fully welcome them.

Use this decoration to get started and find more ideas to get your congregation involved online: [www.cuf.org.uk/christmas-ideas](http://www.cuf.org.uk/christmas-ideas)

## Make a beautiful decoration with this paper:

1. Cut the two stars out of this paper.
2. Now use your scissors to cut into the middle of each star, following only as far as the dotted line.
3. Fit the two stars together where you have made the cut. Secure with tape or glue.
4. Your star is ready for hanging!

Share your photos with us online!
